

Invest in the Department of Electrical and Computer Engineering

The goal of the Department of Electrical and Computer Engineering at UC Santa Barbara has always been to provide our students with the best possible opportunities to learn and develop. The faculty, students, and administration have created an atmosphere of interdisciplinary and collaborative research that is renowned throughout the Nation and is the cornerstone of our success.

Your investment in the Department of Electrical and Computer Engineering plays a critical role in our ability to fulfill our mission and provides essential support of ECE's teaching program and research enterprise.

Department funding opportunities include:

-**Unrestricted support** to be allocated to the highest priority needs of the Department.

-**Roger Wood Endowment**, established in honor of esteemed faculty member Roger C. Wood, supports undergraduate and graduate fellowships, faculty, and state-of-the-art teaching facilities.

-**Undergraduate laboratory** renovations to maintain and upgrade the quality of essential facilities for teaching and research. Priority renovations and naming opportunities include: Digital Lab, Controls Lab, Computer Engineering Lab, High Speed Communications Lab, Microwave Lab, Digital Signal Processing Lab, and the Instructional Clean Room.

-**Endowed chair establishment**, which honors, encourages, and supports the professors whose brilliant minds and commitment to education and research promote the University's mission.

Current Endowed Chairholders include:

John Bowers,

Fred Kavli Chair
in Nanotechnology

Mark Rodwell,

Doluca Family Chair
in Electrical and
Computer Engineering

Umesh Mishra,

Donald W. Whittier
Chair in Electrical
Engineering

Larry Coldren,

Fred Kavli Professor
of Optoelectronics
and Sensors
